MHSA Progress Report*
Fiscal Year 10-11
Reporting Period: July 1 – December 31, 2010

Department Administrative Office of the Courts (AOC)

(ADULT PROJECT)

1. Identify 2-3 highlights for this reporting period

1. Supported the Task Force for Criminal Justice on Mental Health Issues (TFCJCMHI) in developing recommendations to improve outcomes for persons with mental illness in the criminal justice system.
2. Conducted public hearings in Los Angeles and Sacramento to receive public comment and input on draft recommendations of the TFCJCMHI.
3. Appointed a Veterans Court Working Group to develop resources for court programs serving military veterans with mental health and co-occurring disorders (in partnership with the Collaborative Justice Courts Advisory Committee/CJCAC).

2. Please list all the goals/objectives/activities/deliverables for this reporting period as listed in the MOU work plan and provide an update.

Goal 1 TO INCREASE UNDERSTANDING AND NEEDS OF MENTAL HEALTH ISSUES IN THE COURTS.					
Objectives 1a					
Increase the ability and skill level of judicial officers who hear cases involving individuals with a mental illness.					
	Due Date	Status on achieving objective, activities and deliverables (insert links)	Identify outstanding policy and program issues	Identify activities being coordinated with the local mental health system and other partners	Upcoming events/opportunities/resources anticipated during the next six months
Major activities/deliverables: 1. Disseminate locally generated best and promising practices to trial courts.	6/30/2011	On-going activity; initial goals achieved in 2009. • Disseminated mental health guides to over 100 judicial officers attending <i>the 2010 Judicial College</i> . • Disseminated evidence-based practice materials to parole re-entry projects.	None noted.	• Being done in coordination with the Education Division of the AOC, the Collaborative Justice Courts Advisory Committee, the TFCJCMHI, and DMH/LTCS.	• Provide on-going support of electronic distribution information services for judicial officers working in mental health courts. • Maintain partnerships with CA Association of Drug Court Professionals, Forensic Mental Health Association of California and other organizations.

Fiscal Year 10-11
Reporting Period: July 1–December 31, 2010
JUVENILE PROJECT

Department Administrative Office of the Courts (AOC)

(JUVENILE PROJECT)

1. Identify 2-3 highlights for this reporting period

1. Drafted 116 juvenile recommendations related to the report and recommendations of the Task Force for Criminal Justice Collaboration on Mental Health Issues (TFCJCMHI) and revised/amended report as needed. (Based on input from 66 commentators including comments from 2 public hearings.)
2. Designed courses for family court judge and staff related to parents with mental illness and impacts on children.
3. Collected evaluation data and other information from California's juvenile mental health courts.

2. Please list all the goals/objectives/activities/deliverables for this reporting period as listed in the MOU work plan and provide an update.

Goal 1: DEVELOP A RESEARCH COMPONENT TO IDENTIFY AND EVALUATE PROGRAMS FOR JUVENILE OFENDERS WITH MENTAL ILLNESS TO INCREASE UNDERSTANDING AND NEEDS RELATED TO THE JUVENILE JUSTICE SYSTEM.					
Objectives 1a					
Establish a project to identify needs, evaluate effective and to disseminate best/promising practices.					
	Due Date	Status on achieving objective, activities and deliverables (insert links)	Identify outstanding policy and program issues	Identify activities being coordinated with the local mental health system and other partners	Upcoming events/opportunities/resources anticipated during the next six months
Major activities/deliverables:					
1. Conduct a needs assessment of the courts and/or justice system partners to determine level of needs.	6/30/2012	• Conducted survey of juvenile mental health courts in California.	None noted at this time.	• AOC, ADP, DDS, and local courts.	• Evaluate data collected and select 3 juvenile mental health courts for on-site visits.
2. Identify methods of evaluating long-term effectiveness of mental health programs in juvenile courts.	6/30/2012	• Launched Best Practices Approach Initiative (in progress).	None noted at this time.	• Potential partners being identified.	• Release AOC <i>Briefing Paper on Juvenile Mental Health Screening and Assessment</i> .
3. Identify best/promising practices to improve case processing/outcomes with state and local partners.	6/30/2012	• Juvenile subcommittee of the TFCJCMHI met and finalized all recommendations for the final report.	None noted at this time.	• Potential partners being identified.	• Release final recommendations relating to juveniles with mental illness in the delinquency system as part of the TFCJMHl final report.
